Re: State Senate Homelessness Proposal

Dear Senate President De León,

El Rescate a non-profit community based organization in the County of Los Angeles is in full support of the California Senate proposal to increase affordable housing opportunities for the homeless, especially the chronically homeless with mental illness.

Homelessness is a dally reality in our city and increasing housing for the people facing this reality is not only the humane thing to do but also the fiscally responsible.

For these reasons our institution strongly supports the Senate proposal on homelessness.

Sincerely,
